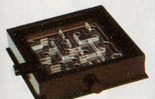
Mag-Nif makes it!

Adult Games:

Mag-Nif blows your mind.

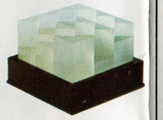
Mag-Nif makes smart decor.



No. 290 Labyrinth

THE COORDINATION GAME. Small enough to display on an executive desk or coffee table yet a precision device that allows the maze surface to be tipped at any angle by manipulation of two remote control knobs. It will take all of your concentration and skill to maneuver the shining steel ball past the numbered pitfalls.

Retail $5.00



No. 304 Torus

A puzzle extraordinaire for one, a game of strategy and logic for two. Each of the nine sculpture-like playing pieces is different. Each has three elevations. Can you arrange them on the playing grid so that all edges match in elevation? Very difficult!

Retail $5.00

No. 305 Rex

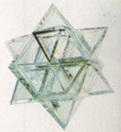
THE GAME OF THE GODS. Legend traces this ancient game back to the antiquity of the Etruscan kings. Two players pit their strategy and cunning against each other to score as many points as possible by skillfully arranging groupings of three wooden beads in three-dimensional space-age like patterns.

Retail $5.00

No. 303 Running Wild

This handsome kinetic art form will delight the senses of sight and sound as over two hundred polished steel ball bearings scurry helter skelter through eight levels, finally as if by magic, arranging themselves in orderly rows on the bottom. Turn it over like an hourglass and the phenomenon is repeated.

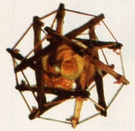
Retail $5.00



No. 299 Astrologic

THE FAR OUT PUZZLE. Only 6 pieces form this elegant sculptured star. Test your astro powers by putting them back together.

Retail $1.50



No. 207 Plato's Plight

THREE DIMENSIONAL DOUBLE RIDDLE. Free the crystal globe, keeping the maze intact, and you've solved the first riddle. Now ponder the riddle of disassembling and reassembling the arrangement of posts and laces. Bet you can't! Handsomely gift packaged.

Retail $5.00

No. 208 Even Steven

FOR THE LEVEL-HEADED. Replace the ten rods, two each in the five holes so that tops of all five rods are perfectly level. Sound easy? Not so!

Retail $3.00

No. 269 Luck Out

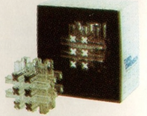
GAME OF LOGIC AND LUCK. It's an old favorite in a new form. Played by one or more players.

Retail $2.00

No. 238 Levitation

AN UPLIFTING GAME OF SKILL. Test your steady hand by manipulating the ball to nest in the center ring. Sounds easy, but try it!

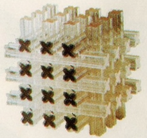
Retail $2.00



No. 301 Third Dimension I

This 18 piece puzzle will intrigue the most staunch puzzle buff. Remove one key piece, and it's a simple matter to disassemble the remaining identical pieces. To reassemble it is a true challenge!

Retail $2.50



No. 306 Third Dimension II

The many faceted surfaces of the 36 piece puzzle reflect and refract light in endless beautiful patterns making it an elegant accent point in home or office. Best of all, the puzzle's amazing interlocking strength and difficulty will challenge the most logical mind. To take it apart is easy; but can you put it together?

Retail $5.00

No. 302 Tut's Tomb

Four simple geometric parts form a perfect pyramid; yet it has challenged great scholars through the ages. Can you discover the secret of the Nile?

Retail $3.00

No. 229 Happy Cubes

CURIOUS CUBE PUZZLE. 8 hinged cubes form 8 intriguing puzzle patterns each of which is a beautiful, decorative, sculpture-like piece.

Retail $2.50
